OUR VALUES

Our Reggio-inspired centers have been serving Portland families since 2016. Children thrive with strong relationships and lots of opportunities to explore and discover, and at our schools we emphasize responsive caregiving and an art-filled daily curriculum.

We are proud to be part of raising a future generation of community-minded people. We include teaching environmental responsibilities and social-emotional development in our programming.

We are a year-round school, open from 8 a.m. to 5 p.m. Monday through Friday, serving working families.

Weekly music lessons through Chords Music are included in tuition for our preschoolers.

Children enjoy a balanced daily schedule with directed group activities, quiet “free choice” periods, and lots of playground time - rain or shine.
